The Heart Of Dixie Amateur Radio Society's Mission Statement, Core Values, & New Member Pledge

W4HOD was established to promote good fellowship for local amateurs who share a common desire to promote ham radio while maintaining a warm friendly atmosphere.

- Everyone considers the feelings of their fellow hams when making statements or responding to questions to preserve a friendly casual atmosphere
- Promote great fellowship with no cliques or division of the club into various social groups
- Encourage a good learning environment that is supported by every member who is willing to share his or her knowledge with other hams
- Be active and helpful with a good attitude
- Everyone pulls his/her own weight financially and physically (with the exception of health problems)
- We maintain an open door policy for other hams with the same expectations

As a member, I pledge, on my honor,
To uphold the core values of W4HOD
To pay my club dues in a timely manner
To pay my share of the monthly food dues
To treat the club's & members' equipment with respect
And combat all forces, which tend to undermine this society
